

Damage/Personal Injury Indemnity Form

Consignment No. (If Applicable):

We are a kerb side delivery service.
The driver is not authorised to carry goods up or down steps or through a property.
The delivery driver will be able to wheel the pallet with a pallet truck as far as possible but is not able to remove goods from the pallet or take the pallet away.
Whilst our drivers are instructed not to take their vehicle off the roadway to make deliveries, our driver will make every effort with your delivery to meet your requirements.

If you require the driver to leave the roadway, it will be at your own risk. Any damage to our vehicle will be chargeable to yourself and any damage to your property is your own responsibility. This indemnity form must be signed before the driver leaves the roadway, if you request the driver to do any action which is not authorised this is at your complete liability.
